Darts Drivel – Week 1

Craigie Broon undone in fours final

In a best of five finale, the Auldhoose smashed the Golf Inn 3-0 to take the fours. There is no truth in the rumour that Sheepy took the huff, after Shunter pumped him early doors, leaving him in no fit state to register Craigie's team. "There's no registration scandal here," announced Sheepy. "Our administration is as tight as Sevco. You can't liquidate us because it's not our fault. Everyone else is to blame. It's not like we're a new team."

Any Captains who have not registered their teams please do so ASAP. Leave lists with Karen at the Golfers (for Malky) or email to malky.g.mitchell@gmail.com. Scores can also be emailed, to that address, and weekly scorecards can be left with Karen at the Golfers.

Craigie Brown undone in Checkouts

Week 1 saw Craig Brown record the highest checkout with a respectable 112. His achievement paled into insignificance when Caroline Howson notched up a 120 checkout at the fours.

Craig Brown misses 180

Alex Nichol and Gary Higgins top the 180 table with 1 each, after week 1.
