Darts Drivel – Week 7

9 Dart Finish.

Congratulations to Burnie on his nine dart finish. Hitting a 180 on route he used his ninth dart to set up his double. Hang on you may cry if he sets up his double on the ninth dart surely it's a ten dart finish. Well that would be true if he checked out on his tenth dart but he didn't. After setting himself up on his ninth dart it took him another 9 to check. The nine dart finish only relates to his check out tries.

Big Rado, no pals, hit a 180 in a dramatic doubles match when he was singled out by two big bullies from the Golf inn. Despite being on his own and smashing the score with his first nine darts, he also struggled to check out but he was victorious in the end of a 2 v 1 doubles match. The golf couldnae check out either.

I'll checkout now before anyone brings up the night of the County v the 050's. There's no truth in the rumour it took 9 hours because no one could check out.

Looks like the tote can't check out either £100 roll over this week at East Linton BC committee meeting
